Always read and follow label directions.

Rebates based on reported sales from authorized BASF agents and distributors. \*\*Sultan miticide, Trinity fungicide, Orvego fungicide and Tower herbicide are not registered in NY. Sultan miticide and Tower herbicide are also not registered in CA. All agency products sold are on behalf of BASF. All sales are final. No returns. This program applies only to qualified end-user professionals (Greenhouse, L&L, Nursery, Ornamental and Golf). Qualified end-users will receive rebate on qualified products purchased from an authorized BASF T&O agent/distributor. Rebate dollars will be credited to the end-user account by the distributor who processed the order. Spring Promotion credit will be issued to the participating distributor on or about June 17, 2015 and can be applied only to new purchases of inputs or related products.

All products may not be registered for sale or use in all states. Please check with your state or local Extension Service. AquaCap, Intrinsic, Orvego, Siesta and Sultan are trademarks, and FreeHand, Pageant, Pendulum, Pylon, Sprint, Stature, Tower, Trinity and Turf Mark are registered trademarks of BASF. \*
